

# Contractor Billing Format in PDF Format

Template#: c3009

*Contractor Billing Format* was designed by and initially released on <https://www.InvoicingTemplate.com> on Saturday, October 17, 2015, and is categorized as **Service**. As always **Contractor Invoicing Layout** was published in two editions - one free **Contractor Billing Format**, and another Uniform Invoice Software version that is able to turn **Contractor Billing Format** into complete invoicing software. This "**Contractor Billing Format in PDF Format**" document includes brief description about the template, as well as a PDF invoice form exported from "contractorbilling.xlsx". ## Contractor Billing Format - Summary

Contractor Billing Format differs from other templates here in that it itemizes "service" and "expense" in two separate sections on the invoice detail section. Each section has a different tax (including tax name and tax rate) applied.
